1 Bedroom Condo for sale in Baclaran, Metro Manila

PROJECT OVERVIEW

**SOLEA
RESIDENCES**

Today, the Bay Area is where the Philippines' best lifestyle is. Entertainment and business developments are all rising and shining. From one of the region's best shopping centers, to the country's best gaming destinations—you'll find them all by the Bay.

And SOLEA RESIDENCES is just a stone's throw away.

Situated in a 2,775 square meter strategic location, this one-tower condominium will house 220 units. The unit offerings will be a mix of one bedroom, two bedroom, and three bedroom variations.

The project invokes serene atmosphere and resort-like hospitality within its physical boundaries. The amenities cater to both indoor and outdoor leisure activities, yet provides secured private residences. Sleek, modern design with the hints of natural and textured materials—married with neutral color scheme—gives you the comfort in your own home.
